LA PARED

Start from La Pared and head out to the main road. Cross it and continue north on that gravel road. Soon you'll reach a crest and see a bigger road again, turn left and cross it. After the descent, make a right turn and turn left towards the ocean. The small gravel road will connect to a singeltrack that takes you back to La Pared, if you have any power left you can finish with that small loop as well.

The routes are not marked. All routes are runned at your own risk. Bring water/fluid and extra energy if needed.

DISTANCE: 20 km
